Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each owner (with the exception of the Declarant) of any Lot by acceptance of a deed thereto, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improve-

ment and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1, of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment shall be \$120.00 per lot. Assessments shall not be commenced for any Lot in any Section until the Common Area for that Section, as identified in Exhibit B, has been conveyed free and clear of all encumbrances to the Association.

- (a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be adjusted in conformance with the Consumer Price Index ("CPI") published by the U.S. Department of Labor, specifically the Consumer Price Index for Urban Wage Earners and Clerical Workers, U.S. City Average, All Items, unadjusted for seasonal variation. The maximum assessment for any year shall be the amount determined by (a) taking the dollar amount specified above in the first sentence of this Section, (b) multiplying that amount by the published CPI number for the third month prior to the beginning of the subject year and (c) dividing that resultant by the published CPI number for the third month prior to the month in which this declaration was signed by the Declarant.
- (b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment amount specified above in the first sentence of this Section and used in the above CPI adjustment formula may be changed by a vote of the members, provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.
- (c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.
- (d) In addition to the Assessments by the Association, the Association may collect from the owners the assessments levied by Liberty Creek Club, Inc.

pursuant to the Prior Declaration, and it shall remit all such assessments so collected to Liberty Creek Club, Inc. Assessments levied by Liberty Creek Club, Inc., are governed by the terms of the Prior Declaration and not by the provisions of this Declaration.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the exteriors of the buildings or roofs, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) nor more than sixty (60) days in advance of the meeting. At the first meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Assessment. Both annual and special assessment must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

870090652

Section 7. Date of Commencement of Annual Assessments; Due Dates:

The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to a Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of The

Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of

870090652

such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All properties dedicated to and accepted by a local public authority, the Common Area, and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Indiana shall be exempt from the assessment created herein, except no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be cancelled by an affirmative vote of a majority of the votes of each class of the Members of the Association. In no event shall such management agreement be cancelled prior to the effecting by the Association or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association by its Board of Directors to effect a management agreement. Any and all management agreements shall be made with a responsible party or parties having experience adequate for the management of this type of project. The Association may require a fidelity bond from the management agent in such amount as it deems appropriate.

870090652

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall, sign or any structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. If the Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been duly complied with.

ARTICLE VII

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of any Units upon the Properties which connects two dwelling units shall constitute a party wall, and to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the owners who make use of the wall.

870090652

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, then, to the extent that such damage is not covered by insurance and repaired out of the proceeds of same, any Owner who has used the wall may restore it, and if the other Owner thereafter makes use of the wall, he shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the Land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be a majority of all the arbitrators. (Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor, the Board of Directors of the Association shall select an arbitrator for the refusing party).

ARTICLE VIII

EXTERIOR MAINTENANCE

Section 1. Each Lot owner shall be responsible for the exterior maintenance of all improvements on his lot. However, if a Unit owner shall

870090852

fail to maintain the exterior of his Unit, or to keep it looking good, or to keep his Lot and lawn well kept and in a good, clean and sanitary condition, the Association may require, by Court action or otherwise, that the Lot Owner perform such maintenance or other work and/or the Association may perform such maintenance and/or other work at the Lot owner's expense, and the cost thereof shall be due and payable immediately as an addition to the Lot owner's regular assessment, and shall be secured by the Association's lien on such Lot.

Section 2. Lawn Maintenance and Other Work. The Association may agree with individual Lot owners to perform lawn and other maintenance work for such owners, provided the following conditions are met:

- (a) The Lot owner is charged a reasonable fee for such maintenance work that is designed to reimburse the Association for the cost thereof;
- (b) The Association is willing to perform similar work for any other Lot owners in Liberty Creek; and
- (c) There shall be no discrimination among the Lot owners in the performance of any such work.

ARTICLE IX

USE RESTRICTIONS

Section 1. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof.

Section 2. No animals, livestock or poultry of any kind shall be raised, bred or kept on any of said Lots, except that dogs, cats or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

870090652

Section 3. No advertising signs (except one of not more than five square feet "for rent" or "for sale" sign per parcel), billboards, unsightly objects or nuisances shall be erected, placed or permitted to remain on said Property, nor shall said Property be used in any way or for any purpose which may endanger the health or unreasonably disturb the Owner of any Lot or any resident thereof. No business activities of any kind whatever shall be conducted in any building or in any portion of said Property; provided, however, the foregoing covenants shall not apply to the business activities, signs and billboards or the sale and maintenance of the Lots and improvements by the Declarant, its agents and assigns during the sale period and of the Association, its successors, and assigns, in furtherance of its powers and purposes as hereinafter set forth.

Section 4. All clotheslines, equipment, garbage cans, service yards, woodpiles, or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash may be stored in enclosed containers provided by the Association for that purpose. All clotheslines shall be confined to patio areas.

Section 5. Outside Use of Lots. Except in an individual patio area appurtenant to a dwelling unit, no planting or gardening shall be done, and no fences, hedges, walls or other improvements shall be erected or maintained upon the Property except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Directors or their designated representatives. In no instance shall unenclosed carports be allowed. Except for the right of ingress and egress, the Owners of Lots are hereby prohibited and restricted from using any of

870090652

the Property outside the exterior building lines, patio and individual parking areas, except as may be allowed by the Association's Board of Directors. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners of Lots in the Liberty Creek subdivision and is necessary for the protection of said Owners.

Section 6. Non-Discrimination. No action shall at any time be taken by the Association or its Board of Directors which in any manner would discriminate against any Lot Owner or Lot Owners in favor of the other Lot Owners.

ARTICLE X

A valid easement for such encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event a dwelling structure containing more than one Unit is partially or totally destroyed, and then rebuilt, the Lot owners agree that minor encroachments of parts of the adjacent dwelling unit or Common Areas due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Section 2. The Association shall have the right to grant easements upon, across, over and under all of the Common Areas for ingress, egress, installation, replacing, repairing and maintaining all utilities, including but not limited to cablevision, water, sewers, gas, telephones and electricity.
